HEALTH TEA

Product name	Wild Gynostemma(jiaogulan)
Art No	H002
Place of origin	Suining County, Shaoyang City, Hunan Province, China
Product introduction	<p>Gynostemma tea is an ancient Chinese herbal medicine and common tea in China, picking young leaves and buds of gynostemma, through the modern Chinese medicine processing technology and the ancient tea frying process combined with the concoction of gynostemma tea, tea soup turquoise, slightly fragrant, slightly bitter, sweet in the throat. It has the efficacy of lowering blood pressure, blood fat, blood sugar and slowing down the aging process.</p> <p>The main components of gynostemma are gynostemma saponins and a variety of vitamins and amino acids, and its medicinal and health care value is extremely high.</p> <p>Gynostemma lowering blood pressure, lowering blood lipids, lowering blood sugar. Gynostemma contains a unique saponin component that can lower and regulate total cholesterol and triglycerides. It also lowers blood viscosity and lowers blood pressure. For hyperlipidemia, Chinese medicine believes that it is inseparable from dampness, heat and stagnation, and gynostemma can clear heat and detoxification, so it can reduce blood lipids and cleanse blood vessels, thus protecting them and preventing cardiovascular disease.</p> <p>Liver protection and anti-cancer. Relevant research found that gynostemma infusion to drink can have an inhibitory effect on liver cancer, stomach cancer, tumor cells. In addition, gynostemma polysaccharide components can reduce</p>

	<p>fatty liver and alcoholic liver damage, thus playing a role in improving liver function, liver protection effect.</p> <p>Relief of cough and clearing lung phlegm. Gynostemma has the function of clearing heat and detoxification, clearing the lungs and phlegm. If you have smoking or wind heat, lung heat, fire caused by cough phlegm, sore throat friends, at this time can try to use gynostemma boiled water or water to drink.</p> <p>Nourish the heart and calm the mind. Gynostemma contains an acidic water product with the same properties as ginseng glycol, hence the name "Southern Ginseng". Therefore, it can be used to promote sleep and calm the mind for those who are not sleeping well and whose mind is restless.</p> <p>It is also known as the "Southern Ginseng". Modern research shows that gynostemma contains saponins similar to ginseng saponins, and gynostemma is non-toxic, has a tonic effect, as well as strengthening the spleen and replenishing the qi, the efficacy of kidney essence. It was included in the Ming Dynasty's "Materia Medica", and is known as a "miraculous herb" because it refreshes people after consumption.</p>
